PHOTO & VIDEO POLICY

FC Summit respects parents right to take photographs of their children playing sport. We allow all parents to take photographs at Anembo Park home games. If parents would like to video games or activities undertaken at Anembo Park, we ask that they consult with all parents involved in that particular activity to gain their permission. If they are not approachable for permission please refer to the teams coach or manager.

Any persons not part of the game / activities in a facilitating or participation role are not permitted from taking photographs or video footage.

FC Summit reserves the right to remove anyone from the clubs grounds that is in breach of the above policy.

The club uses photography and video clips to enhance members experience and also to promote itself. By agreeing to the terms and conditions of the club, you are agreeing to giving the club permission to use your image/name in a responsible manner. Should you wish to opt out of this or have an image removed, please contact us on
